Innovative Prosecution Solutions: Poll Question #1

Poll Q 1: Have you had any past experience with SNA?

Poll Q 2: Do you plan to use/are using SNA on your IPS project?

Poll Q 3: If you are not currently utilizing SNA on your IPS grant, would you be interested in doing so?

6

Social Network Analysis: Definition

Social network analysis is a method that shows the relationship between individuals, and how strong or weak these ties are.

7

Social Network Analysis: Tool to Evaluate Relational Data

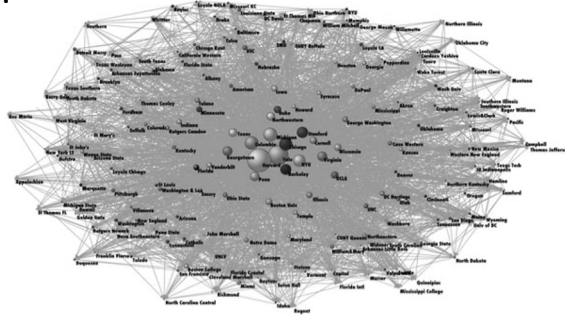

—

8

Social Network Analysis: Enhancing Research/Evaluation

Types of information SNA can identify and measure:

- Identification and strength of relationships between individuals, based on:
 - Density
 - Centralisation
 - Indegree centralization
 - Outdegree centralization
 - Degree centrality
 - Betweenness centrality
