

Smart Prosecution Action Plan: Narrative Summary

Project Name:

Project Location:

What is the problem that your jurisdiction is seeking to address? Describe the data/evidence that led to the identification of this problem.

What strategies is your jurisdiction implementing to address the identified problem?

Have these strategies changed from those originally described in your proposal to BJA? If so, why?

Did any of these changes impact your project timeline? If so, how?

Smart Prosecution Action Plan: Objectives and Tasks
